Short biography

Avvocato (Attorney-at-law) Samantha Garbani Nerini collaborated since 2008 with the law Firm *Studio Legale e Notarile Salvioni e Salvioni* and from the 1st of August 2017 with the law Firm *Studio Legale e Notarile Niccolò Salvioni*.

In her professional practice, avv. Samantha Garbani Nerini has had experience with several cases of family law with connections with various sectors of the administration (social insurances, health insurance, foreign law etc.) and property law.

Another area of her experience is the construction sector, focusing on the various problems related to the building procedure, the secondary residences sector and the contracting process (work contract and mandate).

The vocation of the law Firm in Locarno, also to deal with matters with extra-cantonal and foreign jurisdictional relations, has led avv. Samantha Garbani Nerini to work, in addition to Italian, in German, French and English.

The extra-professional and professional experiences allowed avv. Samantha Garbani Nerini to entertain contacts, exchanges and collaborations with high quality professionals, not only in the Ticino area, in Italy and in Europe but also in legal, political, economic and cultural realities, very different from the European ones.
